

24-Hour Matching Campaign – November 11-12, 2026

Ready, set, give! 24 hours to make an impact.

On November 11–12, join Guardian Angel for the Illuminate the Path Campaign, our 24-hour virtual giving event. For one day only, **every gift is matched 4X** turning \$25 into \$100 of impact for children, families, and older adults across St. Louis.

Forming a team is the easiest way to make a big difference with a small time commitment.

All it takes is sharing your team's giving page with friends, family, and coworkers — no events to plan, no logistics, just 24 hours of sharing.
